ADDITIONAL SERVICES

THE ESCROW SAVINGS

As you work towards your goals and your earned income increases contributions are made to an interest bearing escrow savings that is accessible to the program participant at the completion of all listed goals and the graduation of the FSS Program.

HOMEOWNERSHIP

If your goal is to purchase a home, the FSS Program can help prepare you for the Housing Choice Voucher (HCV) Home-ownership Program. This program allows eligible HCV participants to use their HCV Voucher to assist with their monthly mortgage and other home-ownership expenses.

FSS Public Housing participants who graduate the program and receive an escrow check can use the money to purchase a home.
