

WHAT IS ABSTINENCE EDUCATION?

The Abstinence Education Program is a sexual risk avoidance program specifically designed for adolescents in grades 6th-12th.

The primary purpose of the Abstinence Education Program is to provide holistic, abstinence education to adolescents and teens in a safe, youth friendly, and nonjudgmental environment. In addition to abstinence education, the program provides character education, refusal skills training, information on goal setting, and planning for the future.

Preparing today's Youth to become tomorrow's leaders!

WHEN DOES A.E. P. MEET?

After School Hours

A.E.P. meets Monday-Friday from 3:30pm to 6:30pm during the school year.

Summer Hours

Monday-Friday
1:30pm-4:00pm

WHAT CAN I LOOK FORWARD TO AT THE ABSTINENCE EDUCATION PROGRAM?

A.E.P. participants can look forward to a caring and knowledgeable staff; informative topics and discussions; tutoring and homework help; arts and crafts; recreational outings; and community involvement activities.

We take field trips to museums, festivals, parades, colleges, professional sporting events, theatrical performances, and many other awesome places!

Exciting *info*

We will pick up youth every day from their home at 3:30pm during school year and 1:15pm during the summer!

Every Friday is Fun Friday where we will go on various field trips and eat amazing foods. Permission slips will be provided with field trip information and special reminder notes.

FUN
